H. Stephen Jones and Associates Gifts 25,000 to Nemours

H. Stephen Jones and Associates recently presented the Nemours Fund for Children's Health with a $25,000 check to serve as a Principal Partner for the Nemours Corporate Champions Program. This gift will help support world class programs, services, and research that benefit the health and lives of children in Nemours Children's Health System that operates throughout Florida and the Delaware Valley.

"We are proud to stand behind and support the Nemours mission of providing direction, state-of-the-art facilities and premiere care to restore and improve the health of children under the highest standard," says Stephen Jones, Vice President of H. Stephen Jones and Associates.

H. Stephen Jones and Associates specializes in technology, physical security system design, implementation solutions and project management services.
