Nemours Opens New Pediatric Primary Care Practice in Celebration, Florida

Nemours Children's Primary Care, Celebration is Nemours' 16th Primary Care in Central Florida

Families in Osceola County now have greater access to Nemours Children's Health System through a new pediatric primary care practice in the area. Nemours Children's Primary Care, Celebration opened its doors on September 25.

Dr. Janette Magarino, a board-certified pediatrician, will provide pediatric medical care to children of all ages, from newborns to adolescents. Services provided include newborn care, well-child care, immunizations and school physicals, as well as treatment for illnesses and injuries and management of chronic medical conditions. Like Nemours' other primary care practices, Nemours Children's Primary Care, Celebration is a certified Patient-Centered Medical Home.

"We are delighted to welcome Dr. Magarino to the Nemours family," said Dr. Thomas Lacy, medical director for Nemours Children's Primary Care. "Dr. Magarino is known and respected in Celebration, having practiced there previously. By joining Nemours she will be able to offer her patients the exceptional care they've always received from her, while also providing seamless access to Nemours services and pediatric specialists."

Nemours Children's Primary Care, Celebration is located at 741 Front St. #220 in the heart of Celebration. The office can be reached by calling (407) 650-7988.

Nemours Children's Primary Care, Celebration is the 16th Nemours Children's Primary Care location in Central Florida. Nemours is an award-winning, nationally respected non-profit children's health system recognized for delivering exceptional pediatric health care, research, technological innovation and health education. Nemours also operates six Nemours Children's Urgent Care centers, 19 Nemours Children's Specialty Care satellite locations, and Nemours CareConnect, the country's first pediatric telehealth app. Nemours Children's Hospital opened in Orlando's Lake Nona Medical City in October 2012.
