

Nemours Children's Specialty Care, Pensacola Rolls Out the Red Carpet for "Once Upon A Time" Costume Ball Fundraiser

PENSACOLA, FL (October 31 ,2018) – Magic was in the air at Nemours Children's Specialty Care, Pensacola's second annual costume fundraising ball on Friday, October 26" 2018, at Court of De Luna in Pensacola, Fla. The costume ball, themed "Once Upon A Time," featured fairy-tale-themed food and drinks from Classic City Catering, live entertainment from the band 12South, a costume contest and VIP treatment for every guest. Funds raised from the event will help Nemours continue to provide superior pediatric subspecialty patient care to the more than 23,500 children they serve in Northwest Florida and South Alabama each year.

For the second year in a row, Nemours rolled out the red carpet and transformed the Court of De Luna into a storybook themed party with Nemours associates and guests dressed up in various fairytale costumes.

"The Costume Ball is an important event to raise critical funds that directly contribute to the critical care of children throughout the Northwest Florida and South Alabama region," said Dr. Mary Mehta, Chief Medical Officer. "Nemours specialty expertise has been delivered on a daily basis to the children of the region for the past twenty years."

Major sponsors for the event included the Kugelman Family Foundation, Cox Communications, Cat Country 98.7 & News Radio, Heroman Services Plant Company, Levin Rinke Realty, Pensacola Magazine, ABC 3 WEAR TV and West Florida Healthcare.

Nearly 250 guests attended last year's "Hollywood & Halloween" themed costume gala and included sponsorships from Ballinger, Cox and Kugelman. The event raised close to \$100k and contributed to vital programs for children in the area.

"This Ball means so much to us because it raises critical dollars, which allow Nemours Children's Specialty Care, Pensacola to grow our practice, encourage and develop new programs and continue our dedication to children," said Dr. Mehta.

All funds raised at the annual costume gala support the "Promise for Every Child" initiative, which helps ease the financial burden of patient families so that all children have the best chance at a healthy future.
