Nemours Children's Health Stands with Children's Hospitals in Ukraine

Children's hospitals are sacred spaces. The bombing of a children's hospital is an atrocity of the greatest magnitude. Nemours stands with our children's hospital colleagues in Mariupol and every humane person on earth who cherishes our children. Children are innocent. Those who would harm them must be held accountable.

About Nemours Children's Health
Nemours Children's Health is one of the nation's largest multistate pediatric health systems, which includes two free-standing children's hospitals and a network of nearly 75 primary and specialty care practices. Nemours seeks to transform the health of children by adopting a holistic health model that utilizes innovative, safe, and high-quality care while also caring for the health of the whole child beyond medicine. Nemours also powers the world's most-visited website for information on the health of children and teens, Nemours KidsHealth.org.

The Nemours Foundation, established through the legacy and philanthropy of Alfred I. duPont, provides pediatric clinical care, research, education, advocacy, and prevention programs to the children, families and communities it serves. For more information, visit Nemours.org.
