

Nemours Children's Health Hosts First-Ever Pediatric Session at HLTH

"Elevating Kids Health Well Beyond Medicine" will highlight the importance of investing in health in childhood for lifelong health

JACKSONVILLE, Fla. (October 4, 2023) - Nemours Children's Health will host the first-ever dedicated pediatric session at HLTH, the leading platform bringing together the entire health ecosystem focused on health innovation and transformation. This invited program, "Elevating Kids Health Well Beyond Medicine," will extend HLTH's 2023 theme, "Elevating Humanity," to focus on health in childhood and why it is the only way to build good health across the lifespan.

"The child health perspective is an essential viewpoint for the attendees of HLTH to consider and we are proud to offer this program," said R. Lawrence Moss, MD, President and CEO of Nemours Children's Health. "Improving the health of our nation requires first improving the health of our children, and this session will present ideas to advance population health strategies, technology and health equity from a range of distinguished speakers."

The Nemours program will take place **Sunday, October 8, from 9:30 a.m. to 12:30 p.m. Pacific** at the Las Vegas Convention Center, Level 2, Rooms 231-233.
