

Jacksonville, Fla., (July 13, 2023) — Becker's Healthcare has recognized R. Lawrence Moss, MD, president and CEO of Nemours Children's Health, among the 2023 edition of its ["Physician leaders to know"](#) list. Physician leaders have amassed both clinical expertise and leadership experience, providing them with unique perspectives that benefit patients and colleagues alike. Honorees serve in executive roles at hospitals, health systems, medical groups, ASCs or healthcare companies.

The leaders featured on this list have exhibited outstanding leadership skills and clinical excellence. They are using their prowess to enhance and improve the healthcare industry. This list honors physician leaders for their dedication to optimizing healthcare. Becker's Healthcare is excited to feature these accomplished leaders, who are vital to the successes of their respective organizations.

The Becker's Hospital Review editorial team accepted nominations for this list and curated it to highlight the exceptional work of physician leaders. The full list features individual profiles of all leaders on the list and can be read [here](#).

Note: This list is not an endorsement of included leaders or associated organizations, and individuals cannot pay for inclusion on this list. Names are presented in alphabetical order. This list is sponsored by TeamHealth, a physician-led clinical practice partner matching care facilities across the U.S. with elite clinicians.

About Nemours Children's Health

Nemours Children's Health is one of the nation's largest multistate pediatric health systems, which includes two free-standing children's hospitals and a network of more than 70 primary and specialty care practices. Nemours Children's seeks to transform the health of children by adopting a holistic health model that utilizes innovative, safe, and high-quality care, while also caring for the health of the whole child beyond medicine. Nemours Children's also powers the world's most-visited website for information on the health of children and teens, Nemours KidsHealth.org.

The Nemours Foundation, established through the legacy and philanthropy of Alfred I. duPont, provides pediatric clinical care, research, education, advocacy, and prevention programs to the children, families and communities it serves. For more information, visit [Nemours.org](#).
