Nemours Children's Health Expands Pediatric Primary Care Access to Sebastian, Florida

ORLANDO, Fla. (Dec. 8, 2025) – Nemours Children's Health has expanded its clinical care services into Sebastian, Florida, with a new primary care clinic. Nemours Children's Health, Sebastian, brings the health system's nationally recognized care into the community, giving patients and families access to its continuum of high-quality services closer to home.

"Expanding our primary care footprint into Sebastian reflects our ongoing commitment to making exceptional pediatric care more accessible to families in the greater Central Florida region and beyond," said Martha McGill, BSN, MBA, MHA, President of the Central Florida Region of Nemours Children's Health. "Every child deserves the very best care, and we look forward to serving the community through the delivery of compassionate, high-quality care and resources."

Services offered at Nemours Children's Health, Sebastian, include newborn care, well-child and sick-child exams, immunizations and physicals, behavioral evaluations and more. Marza Penny, MD, who led the site's previous primary care office for more than 25 years, will continue to serve the community through the new Nemours Children's primary care location.

The Sebastian clinic provides children and families with a comfortable, welcoming environment. Staffed by a team of skilled pediatric health care professionals dedicated to delivering high-quality patient and family-centered care, the new location will collaborate directly with nearby Nemours Children's Hospital, Florida, to provide comprehensive, personalized care.
