

Nemours Children's Health at Beebe Healthcare Selbyville Clinic Brings Pediatric Cardiology Services to Sussex County

Newly opened clinic will leverage award-winning expertise of Nemours Children's Hospital, Delaware to offer cardiology consultations as well as imaging and diagnostic services for children.

SELBYVILLE, Del. (Nov. 18, 2024) –Residents in Sussex County and the surrounding area now have a convenient option for their pediatric cardiology care needs with the opening of Nemours Children's Health at Beebe Healthcare Selbyville, a new cardiac specialty care clinic.

"The opening of this clinic helps fill a gap in cardiac care for children and families in the area," said Shubhika Srivastava, MD, Chief of Cardiology at Nemours Children's Hospital, Delaware. "Children across the state deserve the very best in cardiac care, and I am excited that we can bring such critical services to Selbyville and the surrounding community."

"The opening of this clinic helps fill a gap in cardiac care for children and families in the area. Children across the state deserve the very best in cardiac care, and I am excited that we can bring such critical services to Selbyville and the surrounding community."

Located within Beebe Healthcare's primary care facility at 36450 Tidal Road in Selbyville, the state-of-the-art outpatient clinic will leverage the expertise of pediatric cardiology specialists from Nemours Children's to provide critical access to high-quality cardiac care for children. Moreover, this new cardiology clinic will be the only provider in Sussex County offering pediatric cardiology consultations as well as imaging and diagnostic services like fetal echocardiograms and electrocardiograms.

"Access to high quality care is critical and this new clinic gives residents in and around Selbyville the opportunity to receive leading-edge pediatric cardiac care close to home, and I look forward to serving the community," said Russell Cross, MD, Pediatric Cardiologist at Nemours Children's Hospital, Delaware and lead physician at the Selbyville clinic.

Cardiac care at Nemours Children's Health at Beebe Healthcare Selbyville is an extension of specialty services provided at Nemours Children's Hospital, Delaware in Wilmington. The hospital is one of the nation's leading providers of pediatric cardiology care and treatment and was recently named among the nation's best in cardiology & heart surgery with a top 10 ranking – the highest ranking in the Delaware Valley – on the U.S. News & World Report 2024-2025 Best Children's Hospitals list.

About Nemours Children's Health

Nemours Children's Health is one of the nation's largest multistate pediatric health systems, which includes two free-standing children's hospitals and a network of more than 70 primary and specialty care practices. Nemours Children's seeks to transform the health of children by adopting a holistic health model that utilizes innovative, safe, and high-quality care, while also addressing children's needs well beyond medicine. In producing the highly acclaimed, award-winning pediatric medicine podcast Well Beyond Medicine, Nemours underscores that commitment by featuring the people, programs and partnerships addressing whole child health. Nemours Children's also powers the world's most-visited website for information on the health of children and teens, [Nemours KidsHealth.org](https://www.NemoursKidsHealth.org).

The Nemours Foundation, established through the legacy and philanthropy of Alfred I. duPont, provides pediatric clinical care, research, education, advocacy, and prevention programs to the children, families and communities it serves. For more information, visit [Nemours.org](https://www.Nemours.org).

About Beebe Healthcare

Beebe Healthcare is a not-for-profit community healthcare system with a charitable mission to encourage healthy living, prevent illness, and restore optimal health for the people who live in, work in, and visit the communities we serve. Beebe Healthcare has three campuses: the Margaret H. Rollins Lewes Campus, which houses the medical center; the Abessinio Health Campus in Rehoboth; and the South Coastal Health Campus in Millville. Beebe Healthcare offers primary care as well as specialized services in the areas of cardiovascular, oncology, orthopaedics, general surgery, robotic surgery and women's health. Beebe also offers walk-in care, lab, imaging and physical rehabilitation services at several locations throughout

Sussex County, in addition to a home health program and a comprehensive community health program.
