

Orlando Magazine Recognizes Twenty-six Top Doctors from Nemours Children's Health, Florida

ORLANDO, Fla. (Dec. 7, 2023) – Nemours Children's Health, Florida proudly shares that 26 physicians have been named to the esteemed 2023 **Orlando Magazine** Top Doctors list. The December issue, available on newsstands now, also highlights a "Memorable Moment" from Nemours' Chair of Orthopedics John F. Lovejoy, MD. The physicians included in the list are at the top of their respective fields and Nemours Children's is well represented across a variety of clinical areas.

The annual list is compiled through peer nominations and rigorously screened by Consumers' CHECKBOOK, a non-profit organization based in Washington, DC, and is the "Premier Doctors List" conducted exclusively for **Orlando Magazine** by an independent research company.

The full list of names is below-- please join us in congratulating these "Top Docs" for all they do for children in the Central Florida.
