36 Nemours Doctors Make Main Line Today's 2016-2017 **Top Doctors**

Today magazine's list of "Top Doctors" for 2016-2017. The list includes physicians nominated by their peers and by the magazine's readers. Nemours is well represented across a variety of clinical areas and subspecialties. The list of Nemours physicians is below and will run in the December issue of the magazine. Please join us in congratulating these "Top Docs" for all they do for children along the Main Line.

Nemours is an internationally recognized children's health system that owns and operates the Nemours/Alfred I. duPont Hospital for Children in Wilmington, Del., and Nemours Children's Hospital in Orlando, Fla., along with outpatient facilities in six states, delivering pediatric primary, specialty and urgent care. Nemours also powers the world's most-visited website for information on the health of children and teens, KidsHealth.org and offers on-demand, online video patient visits through Nemours CareConnect.

Established as <u>The Nemours Foundation</u> through the legacy and philanthropy of Alfred I. duPont, Nemours provides pediatric clinical care, research, education, advocacy, and prevention programs to families in the communities it serves.
