# Wade-Townend Associates Join Nemours duPont Primary Care Pediatrics

Effective December 1st, Wade-Townend Associates has joined the Nemours Children's Health System. Their new name will be Nemours duPont Pediatrics, Paoli, and this partners them with one of the nation's largest and most respected pediatric health organizations, one nationally recognized for outstanding pediatric specialty care, research and education as well as being a voice for children's health issues.

Headed by Stephen C. Townend, MD, the location at 255 West Lancaster Avenue, PA, remains the same, and all patients records will stay at their present location as well as being held by Nemours.

The practice now has added resources and access to state-of-the-art care and expertise along with the personal attention the practice is known for.

"We work together with you in caring for your child during good health as well as illness. Our providers strive to provide quality medical care for your children in a comfortable environment," says Dr. Townend, "We feel that childhood immunizations, good preventive care, and a common-sense approach to parenting are all essential for raising strong, happy, healthy children. We closely follow the guidelines put forth by the American Academy of Pediatrics for routine care and see patients newborn through age 18."

Nemours is an internationally recognized children's health system that owns and operates the Nemours/Alfred I. duPont Hospital for Children in Wilmington, Del., and Nemours Children's Hospital in Orlando, Fla., along with outpatient facilities in six states, delivering pediatric primary, specialty and urgent care. Nemours also powers the world's most-visited website for information on the health of children and teens, KidsHealth.org and offers on-demand, online video patient visits through Nemours CareConnect.

Established as The Nemours Foundation through the legacy and philanthropy of Alfred I. duPont, Nemours provides pediatric clinical care, research, education, advocacy, and prevention programs to families in the communities it serves.
