Also at the Kids Zone sponsored by Nemours Children's Health, on Saturday morning, attendees are invited to come for "Tea Time," where children can meet with Nemours orthopedics and sports medicine specialists, who will offer tips to prevent sports injury and keep young athletes healthy. While interacting with children on a mini-putt maze, Nemours pediatric specialists will offer healthy tips to enhance athletic performance and provide top-quality, age-appropriate advice for growing bones when injuries may occur. Sweetened and unsweetened tea will be served in the Kids Zone during this event.

For adults, the Kids Zone is a recharge lounge, where they can engage in activities with children on site. At THE PLAYERS Championship 2022, up to two youth, age 15 and under, are admitted free with a ticketed adult all week long.
