Nemours Children's Health Florida to Host "A Night with Nemours – Taste of France Gala"

Orlando, FL, (August 10, 2022) – Nemours Children's Health will host "A Night with Nemours - Taste of France Gala" Saturday, October 8, 2022. Celebrating 10 years of caring for Florida's children, the Gala will benefit The Fund for Innovation and Clinical Excellence at Nemours Children's Health by helping fuel pioneering research pilots, recruiting world-leading physicians, and developing physical spaces to continue meeting the changing needs of Florida's growing children's population. The gala will also benefit Nemours Children's Health Cardiac Center, a national leader in detecting heart problems early and treating them with the most advanced technology, as well as the Autism Intervention Program which has a strong reputation for thoughtful, effective care of children with Autism and their families. Mentalist and magician Oz Pearlman is the featured entertainer. Oz appeared on season 10 of "America's Got Talent" and finished in third place.

For tickets, visit https://secure.qgiv.com/event/nchgala/page/269289.

Tickets to the annual gala Include cocktails, wine, hors d'oeuvres and a reception featuring an unmatched culinary journey complete with dessert stations and live entertainment at the newly renovated Caribe Royale Orlando.

"We are excited to welcome guests back for our first in-person gala since 2019," said Kevin Carraccio, Senior Vice President of Philanthropy. "We look forward to being able to come together in a beautiful setting to not only enjoy each other's company, but also extend our commitment to support the children and families of Florida who have been and will be served by Nemours Children's Health."

About Nemours Children's Health

Nemours Children's Health is one of the nation's largest multistate pediatric health systems, which includes two free-standing children's hospitals and a network of more than 70 primary and specialty care practices. Nemours Children's seeks to transform the health of children by adopting a holistic health model that utilizes innovative, safe, and high-quality care, while also caring for the health of the whole child beyond medicine. Nemours Children's also powers the world's most-visited website for information on the health of children and teens, Nemours KidsHealth.org.

The Nemours Foundation, established through the legacy and philanthropy of Alfred I. duPont, provides pediatric clinical care, research, education, advocacy, and prevention programs to the children, families, and communities it serves. For more information, visit Nemours.org.
