

Nemours Children's Health System is pleased to announce that an agreement has been finalized for Nemours Biomedical Research to lease space at the DuPont Experimental Station. Nemours will lease space in Building 400 on the DuPont Experimental Station Campus, which is located adjacent to Nemours/Alfred I. duPont Hospital for Children and the Nemours Estate.

DuPont recently announced a \$200 million commitment to the DuPont Experimental Station, which has enjoyed a long legacy of excellence in research. Nemours is excited to be a part of this strong community of scientific study.

Nemours will lease two floors in Building 400, which will provide space for the relocation of:

- Nemours Center for Childhood Cancer Research
- Nemours Center for Orthopedic Research and Development
- Nemours Center for Pediatric Lung Research
- Nemours Center for Neuroscience Research
- Nemours Regenerative Medicine Lab
- Nemours Biomedical Engineering Research Program
- Nemours Histotechnology Core Lab
- Nemours Center for Applied Clinical Genomics
