Nemours Children's Health Appoints Robert J. Mullen, PharmD, MBA, RPh, as Chief Pharmacy Executive

WILMINGTON, Del. (December 17, 2025) – Nemours Children's Health today announced the promotion of Robert J. Mullen, PharmD, MBA, RPh, to the newly established role of Chief Pharmacy Executive.

In this new role, Dr. Mullen will lead the design, integration, and continuous improvement of pharmacy services across the Nemours Children's Health multi-state enterprise. He will be responsible for aligning pharmacy strategies with enterprise goals, optimizing medication-use systems, and driving clinical excellence through technology, informatics, and evidence-based practice.

"This appointment reflects our commitment to operational excellence, system-wide collaboration, and advancing safety," said Jane Mericle, DNP, MHS-CL, RN, CENP, Nemours Children's Health, Executive Vice President, Chief Nursing Executive and Patient Operations Officer. "Mullen's vision, experience, and commitment to excellence will be instrumental in shaping the future of pharmacy at Nemours Children's Health."

"In this role, I look forward to elevating our pharmacy services to ensure that they are more innovative, efficient, and well-coordinated," said Dr. Mullen.

Dr. Mullen's expanded role will support Nemours Children's enhanced quality efforts and Whole Child Health strategy, helping deliver safe, efficient, and high-quality care to every child served, even when not within the hospital walls. He will continue as Vice President, Patient Operations, Delaware Valley, while expanding his leadership to guide pharmacy strategy and innovation across the enterprise.

About Nemours Children's Health

Nemours Children's Health is one of the nation's largest multistate pediatric health systems, which includes two freestanding children's hospitals and a network of more than 70 primary and specialty care practices. Nemours Children's seeks to transform the health of children by adopting a holistic health model that utilizes innovative, safe, and high-quality care, while also addressing children's needs well beyond medicine. In producing the highly acclaimed, award-winning pediatric medicine podcast Well Beyond Medicine, Nemours underscores that commitment by featuring the people, programs and partnerships addressing whole child health. Nemours Children's also powers the world's most-visited website with health information written for parents, kids and teens, Nemours KidsHealth.

The Nemours Foundation, established through the legacy and philanthropy of Alfred I. duPont, provides pediatric clinical care, research, education, advocacy, and prevention programs to the children, families and communities it serves. For more information, visit Nemours.org.
